

Mr. Thomas Bach President, International Olympic Committee Route de Vidy 9 1007 Lausanne Switzerland

8 September 2020

Dear Mr. Bach,

We, a coalition of human rights groups representing Tibetan, Uyghur, Southern Mongolian, Hongkonger, Taiwanese, and Chinese people, along with other international human rights organisations, write to you ahead of the International Olympic Committee (IOC) Executive Board meeting on 9th September 2020, to urge the IOC to reverse its mistake in awarding Beijing the honor of hosting the Winter Olympic Games in 2022.

As a member of the IOC in the period 2001 to 2008, you will no doubt recall the extensive dialogue human rights campaigners held with your Presidential predecessor, Jacques Rogge, and senior IOC staff over the controversial decision to award Beijing the 2008 Summer Olympic Games. The result was failure: the IOC's reputation was indelibly tarnished by its mistaken belief that the 2008 Olympics would work to improve China's human rights record. In reality the prestige of hosting the Olympic Games merely emboldened the Chinese government's actions and, since then, we have witnessed a gross increase on the assault on communities living under its rule: the construction of an Orwellien surveillance state in occupied Tibet,<sup>1</sup> the incarceration of between 1.8 to 3 million Uyghurs,<sup>2</sup> the recent demolition of 'One Country Two Systems' in

<sup>&</sup>lt;sup>1</sup> Tibet is one of the most heavily-restricted countries in the world. In March 2020 Freedom House ranked Tibet as the 2nd 'least free' place in the world for the fifth consecutive year; only Syria ranks as less free: <u>https://freedomhouse.org/country/tibet/freedom-world/2020</u>; Human Rights Watch, 'China Delves into Past to Police Tibet's Future':

https://freedomhouse.org/country/tibet/freedom-world/2020; Human Rights Watch, 'China Delves into Past to Police Tibet's Future': https://www.hrw.org/news/2020/09/07/china-delves-past-police-tibets-future

Hong Kong that breach multiple international laws and the UN Declaration of Human Rights,<sup>3</sup> the erasure of Southern Mongolian culture and language,<sup>4</sup> the ongoing military intimidation and geopolitical bullying of Taiwan, and the detention, disappearance and death of countless Chinese lawyers, feminists, democracy activists, and anyone else deemed a threat by the Chinese Communist Party.<sup>5</sup>

Despite appeals from frontline communities and human rights groups, the IOC has repeated the same mistakes as the past and remained unresponsive to evidence of the sharp decline in human rights protections before and after the 2008 Games in Beijing; evidence that illustrates that the 2022 Games will also have no positive impact on China's adherence to human rights standards, and could even contribute to more repression.<sup>6</sup>

The IOC must recognize that the Olympic spirit and the reputation of the Olympic Games will suffer further damage if the worsening human rights crisis, across all areas under China's control, is simply ignored.

We implore the Committee to reverse its past mistakes and to urgently demonstrate that it has the political will to abide by the Olympic Charter's core principles about "human dignity." The IOC must not allow its moral authority to be put in jeopardy again.

We request the opportunity to meet with you, and other Committee Members, to discuss our serious concerns and receive your assurances that you will revoke your decision to allow Beijing to host the 2022 Winter Olympic Games. Please contact us via <u>mandie@tibetnetwork.org</u> to discuss a meeting with coalition representatives.

Yours sincerely

mardielikan
